From: Carolyn Back, Community Development Director  
Re: Update to 1994-2020 Coweta Comprehensive Plan  
Date: 09-14-2020

### **BACKGROUND**

In January of 2018, we began discussions with Wagoner County about the writing of a joint Regional Comprehensive Plan.

Later, it was determined that each jurisdiction would be responsible for the drafting of their respective Comprehensive Plans.

City Staff and INCOG planning consultant, Mr. Scott Bruce began working on updating the City of Coweta Comprehensive Plan in 2018.

Since that time, the City of Coweta hosted one (1) Public Hearing approximately every three (3) months to keep the Planning Commission and community members updated on the progress.

Throughout this time, several community meetings were held with respective stakeholders, community members, city staff, and Mr. Bruce gathering input and direction for the Comprehensive Plan.

Mr. Bruce presented a progress update at a joint Planning Commission and City Council Public Hearing on August 26, 2019 and continued to update the Planning Commission on his progress.

On August 17, 2020, Mr. Scott Bruce and Community Development Director, Ms. Carolyn Back, made a final presentation of the *City of Coweta Comprehensive Plan 2020-2030* before the Planning Commission. The Planning Commission voted unanimously to recommend approval to the City Council.

### **STAFF RECOMMENDATION**

City Staff and the City of Coweta Planning Commission recommends adoption of the *City of Coweta Comprehensive Plan 2020-2030* to the City Council.
